

October Newsletter

Key Dates

- October 27th (PD Day)
- November 13th Stat holiday (closed)
- November 16th, 17th and 24th (PD Days)

Newsletter

Hello Families, we are bringing back our monthly newsletter for October and we will continue to put one out every month with key dates and information that is important for current families and useful information that will help catch up families that might come in to our club in the coming months. We have had a very successful first month for our afterschool program and our three new programs were launched this month and there are still a few spots available for all three programs so if you would like to sign up for those you should do so soon!

Kitchen Quest

On Tuesday nights, we will run Kitchen Quest. Kitchen Quest is a cooking and baking program, designed to build knowledge and confidence in our young chefs! Participants will learn many skills, including how to use kitchen tools, plan, and eat balanced meals!

Youth night

We also offer a youth night program where youth who are between the ages of 12-15 can come into the club and hangout and dinner is provided. No need to sign up you can simply just come in every Wednesday from 6:00 PM to 8:00 PM

Breakfast program

- There are still spots available in the Breakfast Club Program. This program is for students who attend Parkdale, West Kent, and Ecole Francois Buote. The program takes place Monday-Friday from 7:00 am until the bus picks up.

Invoices

- Reminder that Payment is due at the first of every month
-

Imagination Station

On Thursday nights, we will facilitate Imagination Station. For our curious and creative participants, Imagination Station will explore a variety of arts—painting, sculpting, drama, music, dance, and more!

Lost and Found

A friendly reminder to check the lost and found every Friday. Any remaining lost and found items will be donated the following Monday
