Newsletter

Hello Families,
Welcome back to our monthly newsletter, where we share essential information for the month of April and a reminder of our current programming that we are offering.

We currently have open spots for breakfast and evening programs; you can check out all of our programs [here](#).

As we are nearing the warmer days, we will go to the park more often, so ensure the participant has a water bottle in their backpack.

Stay Warm,
BGC Charlottetown Team
